Lil Nas X doesn't get a free pass because he's black or because he's gay. The dude is a Satanist. I don't care about his skin color or his sexual perversity preference. I pray the power of Jesus Christ breaks the bondage of demonism in this young man's life.

Why aren't you covering our actual WIN in New York Supreme Court on motion regarding NYT claim our videos exposing ballot harvesting were "deceptive"

Call the Vaccine Passports what they are: They're Control Passports. They let the government know what an obedient pet you are. It's a COVID vaccine mandate by another name and a tool of segregation. It's born from the left's hellbent desire to destroy freedom and the individual.

If a grown man made a video like the one @LilNasX made simulating sex acts with another guy in Satan costume, they'd be in jail for sending it to kids. That's what Nas did. He's a groomer and a predator.

The media could not be played.

Christians ignoring problems in America are why our country is in this mess... It's time for the Church to stop being WEAK!

I honestly think Christians should totally ignore it. When we get sucked into this crap it does nothing but weaken us.

Christians ignoring their calling to be witnesses is why America is in a mess. It's time for the Church to get back to evangelism #JesusSaves

In case you wanted to see what a Communist on the left looks like...

Harry Litman @harrylitman
Vaccine passports are a good idea. Among other things, it will single out the still large contingent of people who refuse vaccines who will be foreclosed from doing a lot of things their peers can do. That should help break the resistance down

Let's get the terms clear: A "vaccine passport" is not "what we already do." It's not proof of vaccination for internat'l travel or schooling. It's proof of vaccination for everyday living—groceries, restaurants, movies. It's disingenuous to conflate the former with the latter.

Another point apparently needs to be made clear: Libertarians can believe something is a bad idea even when done by a private actor (individual or business). There's no inconsistency in believing a private actor has the right to do something but shouldn't.

I believe a vaccine passport—even one privately managed—will have exceedingly negative consequences for society. I also don't believe the government will stay out of it; nor do I believe they'll stop at COVID or vaccinations. The expansion of the Patriot Act/FISA is instructive.

I'm with you so far, but I'm having trouble finding evidence that this is the plan for vax passport. Could you provide a source?

It's weird how Hunter Biden's laptop and files were never leaked by the FBI..

They also lied about having Seth Rich's laptop & now have until April 23 to produce that and 20,000 pages they discovered thanks to a judge who ruled in our favor..

But Matt Gaetz, they leaked that!

For most of our lives people were seen as crazy if they said the elite wanted to: muzzle/censor us, crash the economy, lock us down, make us show our papers and deploy a new currency that could shutoff if we aren't compliant but now it doesn't seem so far fetched, does it?

It's weird how Hunter Biden's laptop and files were never leaked by the FBI..

They also lied about having Seth Rich's laptop & now have until April 23 to produce that and 20,000 pages they discovered thanks to a judge who ruled in our favor..

But Matt Gaetz, they leaked that!

Biden's new tax plan will tax anyone making more than $400,000 per year by 39.6% Tomorrow..

That should help job growth... Nothing says let's hire folks like taxing the hell out of those who create the jobs..

Congrats Dems, this is like repeatedly kicking yourself in the junk!

It's weird how Hunter Biden's laptop and files were never leaked by the FBI..

They also lied about having Seth Rich's laptop & now have until April 23 to produce that and 20,000 pages they discovered thanks to a judge who ruled in our favor..

But Matt Gaetz, they leaked that!

Biden's new tax plan will tax anyone making more than $400,000 per year by 39.6% Tomorrow..

That should help job growth... Nothing says let's hire folks like taxing the hell out of those who create the jobs..

Congrats Dems, this is like repeatedly kicking yourself in the junk!

The greatest single cause of Atheism in the world today is Christians who acknowledge things with their lips, and walk out the door and deny them by their lifestyle.. That is what an unbelieving world simply finds... unbelievable...

I’ve seen a lot of videos lately of people assaulted and killed in Democrat run cities and my heart breaks knowing that they’d be alive if Democrats hadn’t stolen their right to carry a gun. So many deaths and assaults could be prevented.

That's how it's done Educators!

April 1, 2021

Dear Blackhawk Families and Community

The past twelve months have been challenging for all of us. The work and dedication of our students, families, teachers, and staff have enabled our district to safely continue teaching and learning regardless of setting during these unprecedented times.

On March 30, 2021, Governor Hutchinson announced the mitigation efforts that were once state directives have been converted to guidance. In response to these changes, the Division of Elementary and Secondary Education (DESE) released Commissioner's Memo COM-21-08. This memo provides guidance for districts to assist in the coordination and review of current policies/practices.

The Pea Ridge Board of Directors convened for a Special Session on April 2021 and made the decision to no longer require students, staff, or visitors to wear face coverings while on Pea Ridge School District campuses.

The following updates will be in effect beginning April 2, 2021

- Face coverings will no longer be required but will be optional for faculty, staff, and students.
- We will continue to follow all current district social distancing practices and safety guidelines.
- We will continue to follow current quarantining practices and protocols. Positive cases and possible close contacts should be reported to campus administrators or nurses.

The district will continue to monitor data and guidance from the Arkansas Department of Health and the Division of Elementary and Secondary Education. It is important that we all remain agile and flexible as we continue to navigate this health situation.

Respectfully

Keith Martin
Superintendent
Pea Ridge Schools

We know lockdowns and policies that keep kids from going to school in person have resulted in rising youth suicides + mental health issues yet Democrats and the teachers unions keep supporting them while sending their own kids to private schools in person. Truly evil!

April 1, 2021

Dear Blackhawk Families and Community

The past twelve months have been challenging for all of us. The work and dedication of our students, families, teachers, and staff have enabled our district to safely continue teaching and learning regardless of setting during these unprecedented times.

On March 30, 2021 Governor Hutchinson announced the mitigation efforts that were once state directives have been converted to guidance. In response to these changes, the Division of Elementary and Secondary Education (DESE) released Commissioner's Memo COM 21-108. This memo provides guidance for districts to assist in the coordination and review of current policies/practices.

The Pea Ridge Board of Directors convened for a Special Session on April 1, 2021 and made the decision to no longer require students, staff, or visitors to wear face coverings while on Pea Ridge School District campuses.

The following updates will be in effect beginning April 2, 2021:

- Face coverings will no longer be required but will be optional for faculty, staff, and students.
- We will continue to follow all current district social distancing practices and safety guidelines.
- We will continue to follow current quarantining practices and protocols. Positive cases and possible close contacts should be reported to campus administrators or nurses.

The district will continue to monitor data and guidance from the Arkansas Department of Health and the Division of Elementary and Secondary Education. It is important that we all remain agile and flexible as we continue to navigate this health situation.

Respectfully,

Keith Martin
Superintendent
Pea Ridge Schools

It's hard to understand how @Delta could get any worse. But alas, here we are. The more "woke" they go, the more broke they'll become. It's a shame, they have some really great employees. It's an epic leadership fail.

The "Republicans are racist" narrative must stop, and it must stop NOW.

This thread blows the entire MSM narrative out of the water. Don't believe me? Read it.

The Republican Party was founded in 1854 to combat the expansion of slavery into newly acquired territories.

Democrats wanted to expand slavery–not Republicans.

Democratic Senator Stephen Douglas drafted the Kansas-Nebraska Act, which was signed into law under the Democrat-controlled 33rd Congress.

The Act repealed the Missouri Compromise–the law blocking slavery's expansion.

In 1857, @SCOTUS issued a 7-2 opinion in the case Dred Scott v. Sanford.

So @ReverendWarnock apparently doesn't understand the Gospel. It's impossible to save ourselves - only Jesus has the power to save!

You're a heretic @ReverendWarnock. Easter is about the resurrection of Jesus Christ and if you're a Christian you know:

People in our movement are popular excellent people so it's tough to wrap our minds around the fact that many libs especially journos have no friends (they don't even like each other). Why are we allowing our country to be informed by socially maladroit losers?

Kudos to @GregAbbott_TX for standing strong against MLB. Thank you!

GOVERNOR GREG ABBOTT

April 5, 2021

Mr. Neil Leibman
President of Business Operations and Chief Operating Officer
Texas Rangers
Globe Life Field
734 Stadium Drive
Arlington, Texas 76011

Dear Mr. Leibman:

Thank you for the invitation to throw out the first pitch at the Texas Rangers' home opening game. I was looking forward to it until Major League Baseball adopted what has turned out to be a false narrative about the election law reforms in Georgia and, based on that false narrative, moved the MLB All-Star Game from Atlanta. It is shameful that America's pastime is not only being influenced by partisan political politics, but also perpetuating false political narratives. The State of Texas was proud to help MLB host last season's National League playoff games and the World Series in Arlington. However, I will not participate in an event held by MLB, and the State will not seek to host the All-Star Game or any other MLB special events.

This decision does not diminish the deep respect I have for the Texas Rangers baseball organization, which is outstanding from top to bottom. I wish the team great success this season.

Best regards,

Greg Abbott
Governor

I wish someone would ask him parents of a child, not trans*, could get drugs for their child that would lead to sterilization. Perhaps that's the parent's desire. Maybe their 7 yr old said s/he never wants kids so why not get that out of the way. Hard to think he'd be ok with it.

Pence launched a new Political Advocacy Group today and it already features Kellyanne Conway, Newt and Callista Gingrich, and Larry Kudlow..

So just like that, he's looking to run for President, and taking some of President Trump's top advisors with him..

Senator Fischer @SenatorFischer has recently introduced, S. 951, the Puppies Assisting Wounded Servicemembers Act.

The bill would establish a 3 year program at the VA in which the VA would provide grants of up to $25,000 per veteran to eligible service dog organizations.

There have been multiple recent studies which have shown the efficacy of pairing Veterans suffering from PTSD with a service dog.

So call your Senators and Congressional Reps and get them to COMMIT so that we can get this bill enacted

The media trying to pretend that Biden Republicans are a real thing in any sort of significant numbers is peak fake news. It's ludicrous. There isn't 1 thing he's done that's remotely in line with our values. The only Biden Republicans are people who can profit/gain power off it.

The allegation by "two unnamed sources" that I had something to do win an NPA candidate for the state senate in 2020 is total nonsense.

Like so many falsehoods said about me, there will never be evidence of this because it didn't happen.

There is something ironic about Masters Tournament outcome.

The woke crowded wanted it boycotted and shutdown.
Instead players from all over the world came to Georgia and won by a Japanese golfer.

I once thought the woke movement was about achieving this kind of inclusion.
